Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2024-25 educational progress for Summit Academy North Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about accountability, student assessment, and teacher quality. If you have any questions about the AER, please contact Danielle Stathakis, Principal, for assistance.

The AER is available for you to review electronically by visiting the following website: <https://bit.ly/4bGe0ub> or you may review a copy in the main office at your child's school.

For the 2025-26 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student group in 2024-25. An Additional Targeted Support (ATS) school is one that had at least one student group performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, failed to exit CSI status in 2024-25, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no status label is given.

Our school has not been given one of these labels.

Summit Academy North Elementary School will continue to focus on a quality education for all students. The Annual Education Report (AER) shows some struggles at various grade levels in the areas of Mathematics, Reading, Science, and Social Studies. We are addressing these areas through a Multi-Tiered Systems of Support for struggling students, Instructional Coaches, Instructional Rounds,

WIN Time, and a targeted focus on the best practices outlined in our academic improvement plan.

State law requires that we also report additional information.
