

Mission Statement

Our mission is to provide an environment where committed goalkeepers of all ages can develop a true working understanding of the position of tending goal.

All goalkeepers who attend will be motivated to gain a better understanding of their physical strengths and what role these play in 'their' game.

We at GA can achieve such high results from our students by guaranteeing a four student to one instructor ratio.

You won't find an instructor to student ratios like these unless your getting private tutoring.

Director:
LeRoy Neal

Leroy has been instructing goalkeepers for over 20 years and is currently the Goalkeeper Trainer for the West side Metros Soccer Club.

Lilly Steinberg: Plays the all-time student favorite **Goalkeeper Wars**.

Catch Five is played nightly and also a huge favorite among students.

The Goalkeeper academy is in its 26th year. We at the Goalkeeper Academy (GA) take our instruction very seriously, we realize that there are all sorts of summer clinics and camps for your son or daughter to attend.

This is the reason we take the time to actually get to know more than just their first names. Knowing what our students do well and what they need to work on helps us assist them in their efforts to become the best players they

are committed to becoming.
